Career Objective

BSIT graduate with experience in full-stack development using C#, PHP, React.js, and SQL databases. Seeking a Software Engineer role to build scalable applications and grow as a software developer.

Technical Skills

Programming and Development: C#, Java, Python, PHP, JavaScript

Frameworks and Tools: Laravel, React.js, RESTful APIs, Git/GitHub, Postman

Database: MySQL, PostgreSQL, relational design, CRUD operations

Methodologies and Concepts: SDLC fundamentals, Agile Scrum, version control, debugging, problem-solving

Education

Bachelor of Science in Information Technology

STI College Balagtas

2022 – 2026 | *Magna Cum Laude*

Work Experience

Web Development Intern

RT Lawrence Corporation – Guiguinto, Bulacan

January 2026 – April 2026

- Developed web application features using Laravel, ASP.NET, React.js, PostgreSQL, and MySQL.
- Built and tested RESTful APIs while managing CRUD operations and database schemas.
- Collaborated using Git/GitHub within an Agile development workflow.

Projects & Experience

Database Conflict Identifier (Internship Project)

February 2026

- Developed a Laravel and React.js tool to detect and resolve schema conflicts across relational databases.
- Implemented schema comparison and multi-database support for MySQL and PostgreSQL.
- Built RESTful APIs and integrated a React.js frontend for conflict visualization.

CaterXperience: A Catering Operations and 2D Venue Layout Planning Platform

July 2025

- Developed backend modules using Laravel and MySQL for booking management, inventory, and role-based access control.
- Designed relational database schemas and ensured data integrity and efficient queries.
- Integrated backend APIs with a React.js frontend, supporting data flow between client and server.

Leadership & Achievements

- **Class President** – Led class coordination for ~40 students and represented the class in academic matters.
- **Rank 2 Overall Graduate** – Achieved a 1.12 GWA among 450+ students.

Seminars & Workshops

- **ZUITT (April 2025)** – Free Coding Bootcamp: Data Visualization Workshop
- **BITS Organization (Dec 2024)** – ChainQuest: Discover Your Web3 Potential
